

2.6.1

Programme outcomes, Programme specific outcomes and course outcomes for all Programmes offered by the institution are started and displayed on the website and communicated to teachers and students.

The learning outcomes [Pos, PSOs & Cos] of SVRM College are started and displayed on the college website. Apart from that the learning outcomes are incorporated in the annual academic calendar. The following is methodology followed to communicate learning outcomes to teachers and students.

The three learning outcomes, visibly, programme outcomes, Programme Specific Outcomes and Course outcomes are prepared much in advance to the commencement of an academic year . At the outset of the academic year they are supposed to be communicated to the teacher and the taught community. The very purpose of communicating learning outcomes is to attain them at the end of the programme.

Annual academic calendar is prepared for every academic year much in advance. Learning out comes [Pos, PSOs & Cos] are also printed in the academic calendars. The same is issued to the teachers, department –wise and to the students, class-wise.
