ACTION PLAN & BUDGET

1. Name & Address of the College:

Shree Velagapudi Ramakrishna Memorial College
Nagaram- 522 268, Guntur District, Andhra Pradesh.

2. Proposed Activities

a) Teaching (UG)

1. Enrichment of laboratory facilities

Besides the prescribed theory and practicals as per the curriculum of B.Sc. classes, some additional theoretical and practical lessons will be taught to our UG students by each department. Designing of additional practical will require up-gradation of UG laboratories with equipments, other complementary requirements and field facilities in order to promote learning and the academic development of our students. Laboratory facilities would improve the vision of faculties and students which will enable them to understand the development and research activities going at National and International level. This will help them to undertake new research projects.

Proposed action

- Procuring curricular equipment and additional advanced equipments along with Laboratory consumables.
- As a source of training the teaching community in and around the college by arranging workshops, demonstrations, exhibitions, guest lectures.
- Assigning the project works to the students
2. **Providing learning resources and teaching aids**

To upgrade the department libraries with reference books as per the course syllabus and standard journals and to enjoy exploring language, literature and writing; to learn about human values and actions, it is also useful to develop skills in critical thinking to prepare for professional programs or careers. For the enhancement of the ‘Book- Bank’ facilities to socially and economically backward communities. Even though the conventional teaching aids are providing the formal demonstrations, the upgradation to the present existing trends yields better outcome.

**Proposed action**

- Get hold of subject books as well as the reference books and to acquire the journals by subscription, e-books and e-journals.

BRIEF PROFILE OF THE COLLEGE

Inception

On 21st August, 1969, the people in and around Nagaram village found a new sunrise on the eastern coast driving away the darkness of ignorance in their lives. On that day their long cherished dream had come true with the initiative taken by a great personality Sri Velagapudi Ramakrishna. He was a philanthropist and above all a visionary. With his munificence an educational institution breathed its first in Nagaram village with the loftiest objective of dispelling darkness from illiterate society.

ABOUT THE COLLEGE

In 1970, the event was equally made sub line by the inauguration of the college by Sri V.V.Giri, the then Hon’ble President of India, with his nectar hands.

Smt. Rajeswary Ramakrishnan and Sri V.L.Dutt, the proud children of late Sri Velagapudi Ramakrishna, proved worthy of their illustrious father and set about translating his vision into reality. The college was aptly named after the great personality as “Shree Velagapudi Ramakrishna Memorial College”.

The college was greatly indebted to Dr. N.V.Krishna Rao and Sri. K. Umavara Murthy. They rendered exemplary service for the development of the college during their respective tenure as Secretary & Correspondent of the college. These two eminent persons of distinctive stature laid a sound foundation...
for this reputed college. The proud record of our college at academics and discipline owes much to these two stalwarts.

As late Sri. Velagapudi Ramakrishna lowed the seed of erudition, his daughter Smt. Rajeswary Ramakrishnan grew the plant in her safe hands. It is after Dr. S.R.K. Prasad taking charge as Vice-President of the Repalle Taluke Educational Improvement Society, the college started developing by leaps and bounds. The ever of erudition has grown into an ever blossoming tree. Doyen is Dr. S.R.K. Prasad to prove himself as the true heir of his maternal grandfather. He has left no stone unturned to lake the college to the heights of achieving NAAC ‘A’ Grade. He is dynamic to the core. He always sets the goals for the college and strives until they are reached.

Dr. S.R.K. Prasad is known in the field of academic for his versatility. He has achieved many laurels for himself and for the college as well. A prestigious Award “THE NAME IN SCIENCE” was bestowed on him International Socrates Committee. He is a great entrepreneur. He received an Award “TOP 100 PROFESSIONALS 2014 in the area of Operations Research,” which is a respondent feather in his vibrant cap.

Dr. S.R.K. Prasad received many other awards for his outstanding services, achievement and contributions.

He acted as a Member of many professional bodies. He was honored with membership in many Academic Boards. As an academician he has many a publication of Research Papers to his credit.

It is Dr. S.R.K. Prasad’s vision to provide urban facilities to education in the rural area. He will rigorously try for it and will not rest until it is fulfilled.

Our Progress
a) Establishment of IQAC

The Internal Quality Assurance Cell (IQAC) was established in the year 2007 after the visit of the NAAC peer committee as a post accreditation quality sustenance measure. It monitors various aspects of the institutional functioning. The IQAC has been channelizing the efforts and measures of the college towards academic excellence. The IQAC publishes an annual news letter highlighting the entire academic and co curricular activities of the institution.

b) The College has received ISO 9001:2008 certification in the year 2012 and recertified in 2013.

c) Curriculum – Courses Introduced

To create awareness about the importance of basic sciences among the student community the management introduced new courses on basic sciences. To enable students to take up higher education M.Phil and PhD programmes were also introduced affiliated to Nagarjuna university.

New Programmes introduced in the past five years are,

- **PG**: M.Sc. Mathematics
- **Research**: M.. Phil/ Ph.D(Chemistry)

d) Staff Profile

The management motivates the staff to get qualified either by registering and obtaining their doctoral degree or qualifying the NET/SET examination.

Other Highlights

CRITERIONWISE ANALYSIS

Sri Velagapudi Ramakrishna Memorial College, Nagaram is an aided institution affiliated to Acharya Nagarjuna University, Guntur established in the year 1969. SVRM College, Nagaram is run under the auspices of Repalle Taluq Education Improvement Society. (RTEI). It was recognized by the University Grants Commission under 2(f) & 12(B) scheme in 1985. The college is situated at Nagaram, Guntur Dt., in an area of 29.36 acres. The college has set a very clear vision to provide value based education to the young rural generation of India. The college is a renowned academic center in rural coastal area of Guntur district. Our mission is to import higher education to the students in the rural coastal area. The College provides specialization in 13 subjects of Science, Humanities and Commerce at U.G level and three subjects at P.G level. Experienced faculty is appointed for UG and PG courses.

Curricular Aspects

The orientation of the college is for providing higher education, fostering and encouraging innovation and creativity in the rural students by the optimum use of college infrastructure facilities and to achieve excellence in teaching, learning and research. The college is offering several programmes at under graduate (7), postgraduate (3) and research (M.Phil -3, PhD-1) in Science, Arts, and Commerce. The college has been recognized as Research Center by the Acharya Nagarjuna University to carry out research Programmes. The college also strives to incorporate the core values of NAAC by substantially contributing to the process of National Development by providing quality education in the newly emerging areas enabling the students to become globally competent. Compulsory
courses on value education and environmental studies are offered to motivate the students to develop the right concern for values and environment.

**Teaching, Learning and Evaluation**

The teaching, learning and evaluation process in the college has several appreciable features. The dynamic and interactive learning in the classroom and beyond classroom is unique in terms of catering to the diverse needs of the students. The admission process in the college has several positive characteristics. The marginalized downtrodden rural students are given greater access to higher education as a policy by the college. This is well reflected in the student composition. Nearly 90% of the students belong to backward and schedule caste and the first generation learner groups from the rural areas.

**Faculty**

The learning environment has several healthy trends which is evident from the teaching quality and the learning process. There are 45 teaching staff and around 50 non teaching staff members are working in the college. 20% of the teachers have Ph.D and strong research orientation. 5 of them are undergoing Ph.D programmes to earn higher degree and competence. The recruitment process is transparent and merit is given top priority.

The slow learners are supported through remedial classes and the student records also prove that classroom activity and student support by faculty in the college satisfy the needs of students. There is a systematic evaluation and student feedback on teaching. The faculty and the students are highly motivated. Quality of teaching has been enhanced by 3 short-term certificate courses for skill
development, extension of laboratories, installation of more numbers of computers in the net centre and ICT applications in library management.

**Research, Consultancy and Extension**

S.V.R.M. College has a Research Cell. It acts as support and enabling system for faculty to pursue research work simultaneously along with class room teaching. Our institute promotes ethical and factual informative research environment which spreads over publications and research to touch the socials and industrial needs. In addition, the resource centre promotes research culture by allowing the faculty to avail, the UGC sponsored FDP programme, Minor and Major Research Projects. The college allows the research scholars to utilize the institutional infrastructure facilities. The faculty members are encouraged to pursue research. The aided faculty members are granted study leave under FDP scheme of UGC to complete their M.Phil / Ph.D as per UGC guidelines.

The research facility extended not only to the staff and students of our college but also of other colleges. There are 4 linkages with industries. Teachers regularly participate and present papers in seminars. In the past three years more than 70 papers have been presented. The research publications reported by faculties are also note worthy. The members of staff have published 67 papers in national, international refereed journals.

Our institution has exclusively started a new journal with ISSN No. 2348-2923 to improve & encourage the new research papers and student research..

Ever, Since the inception of the college, community service is incorporated in the curriculum. The extension activity is quite impressive and the college faculty
has participated in community service and extension activities related to Swacha Bharat, women empowerment etc.

There are two active NSS units and one NCC unit. Apart from these, there are several clubs to motivate students to participate in extension activities, thereby helping the society. Focus on the holistic development of the rural poor students is given by creating civic and social awareness, social responsibilities and values to cope with the challenges of competition.

**Infrastructure and Learning Resources**

The College is located on 28.74 acres of land with built-up area of 62000 sq.ft and has adequate physical infrastructure to accommodate all its departments, classrooms, supportive facilities and hostels. Whenever new courses are introduced, the College plans and constructs new buildings to meet the needs. There are enough space for class rooms, laboratories, staff room and other academic facilities required. The campus is Wi-Fi enabled.

A library is housed in a separate block constructed with a built up area of 13000 sq.ft at cost of 1.3 Crores. The national & international journal have been subscribed for the benefit of the students. Online resources can be accessed through the INFLIBNET facility. A software –SOUL- has been installed in the computers Dept. of the library. A digital library with 6 computers and printing facility has been established. Open access system is provided to the students. The library consists of 25296 volumes, 1006 e-books 5 International and 10 National journals, INFLIBNET, 176 CD/DVDs and 36 periodicals.

There are nearly 112 computer nodes available in the college mainly in the department of Computer Science. The administration is more or less fully
computerized. The academic growth and development of the institution is in line with the infrastructure facilities. There are several supportive features in the college like vermi composting etc.,

We have improved our physical facilities by installing of a 250KVA generator at a cost of ₹12 lakhs. A new Conference Hall has been established. One bus has been purchased to provide free transport for the students. The girls hostel has been constructed inside the campus with built up area of 9647 sq.ft to accommodate 60 students.

**Student Support & Progression**

S.V.R.M. College has an independent monitoring system for student support as class-teacher or teacher ward system since the inception of the college. Five Skill Oriented Certificate courses have been introduced in order to impart skill based training with the help of NSDC, Newdelhi. Special training on Communicative skills, Arithmetical & Reasoning abilities are provided to the students making them exemplary and employable. The Placement Cell frequently organizes and encourages the students to participate in campus interviews, and it has entered into tie-ups with various companies to increase the employability of our students. Classes and programmes are conducted to impart value based education which inculcates values and good practices in the students.

Endowment and Merit awards are also given to the class toppers. The number of books issued to students have been increased which enables them to have access to more books in the library. Free access to internet and e resources through the digital library is provided to both staff and students.
The College Management encourages student participation in cultural and sports events at different levels of competitions. Incentives are given to the winners during the college day. The management sponsors the participation of students in inter university & Intrauniversity level sports competitions. Our college students make the fullest use of the large playground. The number of NSS units has been increased from one to two. The college has also applied for second NCC unit.

Free transport and free hostel accommodation are provided for the students from the academic year 2012-13. The activities of placement and Career guidance cell, NCC, NSS are unique and highly commendable. A women development centre has been established and women welfare programmes are organized.

The college encourages students to organize various cultural programmes within the college and to participate in competitions outside as well. The Fine Art Association provides training to students on various programmes such as folk art, instrumental music, western dance, miming, classical dance, music, etc. Our students get many prizes in university level competitions in sports as well as in cultural competitions.

**Governance and Leadership**

The establishment of the IQAC is another quality measure. The institution setup the Internal Quality Assurance Cell in the year 2007 to monitor various activities of the college. The IQAC functions to provide information on quality parameters in higher education, obtains feedback on various aspects of Institutional activity and organizes its proper evaluation. IT initiates activities to engage students in educationally purposeful tasks, and suggest areas for faculty
and non-teaching staff development. Every department organizes seminars and
guest lectures every year in a specialized area inviting expertise from different
parts of the country. The management offers five certificate courses in various
disciplines and provides optimum training in the field of study.

Students are motivated to participate in cultural events in and off the campus.
The co curricular activities of the college involve students in different activities
such as College day, National Day celebrations, Seminars inside the college and
as volunteers in local religious festivals and other social events.

**Innovations and Best Practices**

- Establishment of IQAC
- Autonomy
- Eco-friendly campus
- Holistic development of the students
- Introduction of certificate courses
- Healthy interpersonal relationship between various stakeholders is noticeable.
- Separate wing for Soft Skill Training for all the students
- Installation of Smart class rooms
- Generator facility extended to hostels during examination
- Ongoing Minor Research Project funded by UGC and management supported projects
- Wi-Fi enabled campus
- New and Separate Library block with e-resources
- Student and Staff welfare measures including Group insurance
- Safety awareness and improvement

EDUCATION DEPARTMENT

G.O. Ms.No.1195. Dated 19th December, 1977

Read the following:

2. From the Director of Higher Education, Inr. No.14176,
   II-15/77, dated 10-5-77, 17-6-77, 27-6-77 and 15-7-77.

3. From the Director of Higher Education, Inr. No.2260/
   10-11/-77, dated 21-7-77, 26-7-77, 27-6-77 and 21-6-77.

ORDER:

In the G.O. dated above, it has been ordered that all pending institutions existing as on 1-7-1977 which were started with the required approval and in accordance with the rules, may be admitted for grant-in-aid in a phased manner over a period of three years from 1-7-1977 subject to fulfillment of certain conditions. Accordingly, the Director of Higher Education, may be requested relating to the colleges that may be admitted in grant-in-aid during 1977-78 for consideration by Government.

2. The proposals of the Director of Higher Education
   have been expanded with reference to the financial provision
   available during the current year, and it has been decided
   that the 54 Jr. Colleges and the 5 Degree Colleges, as shown
   in Annexure 1, and the institutions may be admitted to
   grant-in-aid from 1-7-1977. The Director of Higher Education
   is requested to take action to release grants to these
   institutions in accordance with the normal procedure.

3. Certain conditions were prescribed at the time of giving
   permission for the starting of a new Jr. or Degree College
   by a private management. One of these conditions was that
   the management should make payments into the Corpus Fund
   or deposit in a Bank in the name of the Management and the
   Director of Higher Education, in the case of Degree Colleges
   and of the management and the District Educational Officer
   in the case of Junior Colleges. It is noticed that a number
   of colleges have not fulfilled the conditions that were
   prescribed when permission was given for starting, particularly
   about the Corpus fund. Some of the management have requested
   that the condition may be waived. This has been examined
   and it has been decided that the condition regarding
   Corpus fund should not be waived. However, it is felt that
   payments deposited by the colleges with the University may
   also be taken into consideration for this purpose provided
   the University agrees not to allow the withdrawal of any
   amounts from the Corpus Fund in the joint account with due
   without the prior approval of the State Government. After
   allowing for these, if the conditions are still to deposit
   some more monies in the Corpus Fund to fulfill the originally
   prescribed; the amount are from then may

Dear Principal,

Greetings from NAAC!

I am glad to inform you that the outcome of the Assessment and Accreditation exercise of your institution has been processed and approved by the Executive Committee of NAAC and your institution has been Re-accredited for a period of five years with a CGPA of 3.01 on a four point scale at A Grade valid from 21/02/2014. The Executive Committee of NAAC in its 66th meeting held on 21st February, 2014 has decided that, henceforth there will be no “NAAC Accreditation Award Ceremony” and that the original certificate of accreditation with the quality profile should be dispatched to accredited institutions after the declaration of the result to facilitate the institutions to get their certificate at the earliest. Accordingly, your accreditation certificate will be prepared and dispatched to you soon. I am sure the detailed peer team report given to you already by the peer team will enable the institution to initiate further quality enhancement measures.

With best wishes,
Yours sincerely,

(Prof. A.N. Rai)
